

"HF Sandwich Shop is the only caterer we use for our corporate meetings and member events. Their service and presentation is as awesome as the food!"

Brian Grogan, Equinox Fitness

"A COMFORT-FOOD EXTRAVAGANZA"

The New York Times

"This was the best lunch I've catered in a long time! Great presentation, and the food was so fresh and delicious!! The bread was amazing... the salad was crisp and loaded with great goodies, and just the right amount of food. Rave reviews from my customers, too."

Deborah, EZ Cater.com

Service is stellar. Food is fabulous. THIS is a sandwich shop worth coming to again and again and we do.
